**SOME STUDY METHOD HELPS :**

- 1) Pray for God's leading before, during and after the study.
- 2) Read the text to be studied at least five times and if possible in different translations.
- 3) Find all answers from within the text itself and give a Bible reference for each one.
- 4) Write down your discoveries before you compare them with good Bible commentaries.
- 5) Fill in your notes with helpful observations that you find, but make sure that none contradict what you have found directly from the Bible.
- 6) If you find that you are way off track according to the commentaries, humbly start over.
- 7) Put into practice the application for life that you have discovered as soon as possible.
