Study questions for Galatians 1v10-2v14

Remember to find the answers in the verses under consideration !

vs 10-17 The third natural division of this book begins here with Paul enumerating one by one all those who might have changed the Gospel, but have no right to do it. He begins with himself. Who does he say revealed the exact details of the Gospel to him ?

v 18 What important personality did Paul first see in Jerusalem, who did not tell him to change the Gospel he had received from God ?

v 19 How come James, the Lord's half-brother, is called an apostle when many people think there were only 12 apostles ? How does the mention of seeing James reinforce the fact that no one told Paul to change the Gospel he had received directly from God ?

vs 20-24 Where did Paul preach this same Gospel without any Christians opposing it ?

vs 1-10 When did Paul finally meet the leadership in the church at Jerusalem ? Who went with him at that time and agreed with the Gospel he was preaching ?

vs 11-14 Who got carried away later in Antioch by the hypocrisy of rituals ? Why should we too be wary of social pressure this week when we announce the Gospel ?
